Comedy Magic Shows

Perfect for mixed groups of kids and adults. Make any Birthday, Company Picnic, Holiday Party, Christening, or Communion special with a magic show.

A Magic Show is the best way to entertain audiences with a mix of kids and adults. The show is aimed at ages 3-11, and your children are the stars of the show. All the kids participate and some even get to help make the magic happen. Most of our magicians use a live animal in their act which makes the kids go nuts! The best part of the show is that we add in Disney-like humor for the adults so everyone gets to enjoy the show! **45 Minute Show: \$299**

- May be performed at your house, a catering hall, or outdoors (weather permitting).
- You will need a sitting area for the audience in front of the magician. We love the kids sitting on the floor in front of the performer. Chairs may be used in the back for the older kids and adults.
- Your magician will need an outlet nearby for a sound system and a performing area of at least 8 ft. wide by 4 ft. deep. The larger the performing area, the better it is.

Costume Characters

Perfect for entertaining groups of younger kids aged 2-6. Birthday parties, corporate events, picnics, family get-togethers or any occasion will be complete with a Party Magic Costume Character appearance.

Your performer will arrive in uniform to set up a radio (or make arrangements with your DJ). All you'll have to do is press play! Your character will make an entrance to its theme song, followed by 25 minutes of mixed music including party favorites like The Chicken Dance, Hokey Pokey, Limbo, Freeze Dance, and more. We guarantee the look of our costumes and the quality of our performance. After about 20-25 minutes, your performer will let you know that it's picture time. We can even help present cake! After posing for pictures, your character will wave goodbye. **30 Minute Show: \$159**

- May be performed at your house, a catering hall, or outdoors (weather permitting).
- You will need a dancing area for the kids and the character with an outlet nearby for the music. Adult interaction may be needed for shy children.
- Your performer will need a private area to change into the costume. Please have someone ready to escort the character from the changing area to the performance area.
- We will need you to start the music for the character. *Thank you!*

Princess Shows

Make your event extra special with an appearance from Elsa, Anna, Cinderella, Belle, Ariel, Jasmine, Snow White, Sleeping Beauty, Rapunzel, Tiana, or another princess at your party!

Your Fairytale Princess will arrive at your party making her grand, royal entrance to her theme song. Your daughter will feel so special when she is officially crowned as **"The Birthday Princess"** with a tiara to keep! Then the princess and the kids play princess-related games, teaching the girls how to act like princesses. The princess will try to include the boys too, teaching them to be pirates or princes! After that, there are a couple of fun, interactive, musical games. She can **"Meet 'n' Greet"** your guests and will be available for pictures at the end of the show.

1 Hour Show: \$299 (15-20 Kids Max)
